A. CALL TO ORDER AND INTRODUCTIONS

B. OVERVIEW PRESENTATION OF PURPOSE AND OBJECTIVES OF THE COMMITTEE

Michael Sigala gave a power point presentation and started with the overview of The Local Government Planning Support Grants Program (AB 101) established from the $1.7 billion housing “trailer bill”. The San Joaquin Valley Council was allocated $19 million of the $125 million to Council
of Governments/Metropolitan Planning Organizations statewide. The existing RHNA and the Housing Element are to be revamped to create a fair, transparent and objective process. Robert Phipps noted the Local Governments Planning Support Grants Program shall be conducted through the San Joaquin Valley Multiagency Working Group consisting of three representatives from each of the eight counties. Michael Sigala highlighted items required to submit an application to HCD to request 25 percent of allocation funds. Michael continued with the overview of regional priorities and funding, sub allocation activities, and annual reporting. Robert reviewed the additional provisions of the housing trailer bill on ProHousing and direct allocations to cities and counties. Applications for the first 25 percent will be accepted until July 1, 2020.

DISCUSSION/ACTION ITEMS

C. DISCUSS AND APPROVE BYLAWS

Robert Phipps briefly reviewed the bylaws drafted for the San Joaquin Regional Early Action Planning (REAP) Committee. There were a couple of key points mentioned, which include, the committee will cooperate as a simple majority, committee members are entitled for reimbursement for mileage and $100 per meeting stipend, this committee will have a chair and vice chair, there will four quarterly meetings per year, and the committee will have a technical advisory committee. Frida Cardoza gave an overview of the Housing Collaborative and its members. Mayor Gary Yep had a question about allowing a substitute to vote in the absence of a member. This is no provision for this but it may be included in the bylaws if requested. There were some concerns with the simple majority rule vs two thirds vote. After further discussion they agreed to revise the bylaws to include language that requires at least two thirds of twenty-four [24] members to be in attendance to form a quorum and eleven [11] to pass a vote. In addition, they will revise the language of the stipend for members who are physically in attendance.

There was a motion to accept the San Joaquin Regional Early Action Planning (REAP) Committee bylaws with the revisions as discussed.
